

Brain Awareness Week

at THE UNIVERSITY of
MISSISSIPPI

Your Brain on Magic: The Neuroscience of Illusion

Have you ever been fooled by a magic trick? Know why? Come and find out from an expert neuroscientist. Dr. Martinez-Conde will show you what the neuroscience of magic reveals about our everyday deceptions. She has recently published a book, *Sleights of Mind*, and was featured in the PBS documentary *Magic and the Brain*.

Presented by:

Susana Martinez-Conde, Ph.D.
Director of the Laboratory of Integrative Neuroscience
State University of New York

When and where:

Wednesday, April 12th, 4:00 pm
Lamar Hall (Room 126)
University of Mississippi –Oxford campus
